PRINCIPAL'S MESSAGE

The Annual General Meeting of the Governing Council took place on Tuesday, 25 February. The school community welcomes new members as well as welcoming back some continuing members for 2025. The Governing Council is an important part of our school community and I would like to sincerely thank our 2025 Governing Council members for supporting our school. Please see the list of our 2025 Governing Council Members and office holders that were filled at our Annual General Meeting:

**2025 Governing Council Members**

**Parent Representatives**

- Moira Colquhoun
- Alex Dundon
- Leah Hall
- Kate Hallam
- David Lao
- Steve Marriott
- Prasanna Tamang
- Karthik Thottekkat
- Nicholas Tung
- John Win

**Secondary Student Leadership Team Representatives**

- Zoe Hatchard
- Divya Panwar
- Jamie Ramoso
- Ryan Suresh

**Community Members**

- Blair Boyer MP
- Tracey Wade

**Staff Representatives**

- Meg Fay - Principal
- Ingrid Lees - Deputy Principal
- Tarnya Adams - Assistant Principal
- Daniel Brzezinski - Assistant Principal

Thank you to the following parents/caregivers that will be office holders in 2025:

- Nicholas Tung - Chairperson & Finance Advisory Committee
- Steve Marriott - Deputy Chairperson
- David Lao - Treasurer & Finance Advisory Committee
- Steve Marriott - Deputy Treasurer & Finance Advisory Committee
- Leah Hall - Secretary

As well as:

- Alex Dundon - OSHC Advisory Committee Representative
- John Win - Deputy OSHC Advisory Committee Representative

Thank you to those members from 2024 that are not returning to our Governing Council for 2025. Thank you for your work and the contribution you have made to strengthening school community relationships for The Heights Community during your time on the Governing Council.

Significant work has taken place to prepare for our 2025 Sports Day on Friday 7 March. I would like to thank all the staff that assist in the planning and preparation of this event. It will be a warm day so please ensure children dress in sun smart clothing, have a hat and water bottle and regularly apply sunscreen. There will be reminders given throughout the day.

As crossing monitors, our Year 6 students have settled in well. They are doing a wonderful service for our school. The Year 6 students, accompanied by a teacher, assist at the busy times of the day. Thank you to the students, teachers and families for supporting our crossing monitors to carry out their roles and provide such an important service to our school.

As the year progresses there may be times when people have queries regarding an occurrence at school. If this happens, we would like to encourage an open dialogue with you to hear your concerns and work through how to address them. Please refer to the '[Raising and Resolving Concerns](#)' section located in the 'About Us' section of our website for the process to follow.

I would like to take this opportunity to inform our school community that I will be on long service leave for the last 4 weeks of this term. I am pleased to announce that during this time our Deputy Principal Ingrid Lees will be the school Principal. I look forward to returning

in Week 1 of Term 2 and hearing about the learning and events that took place whilst I was on leave.

**Meg Fay, Principal**

**RIDING AND SCOOTING TO SCHOOL**

It is excellent to see the large number of students walking, riding, and scooting to school in 2025. The attention to detail our students show when following the road rules is evident and this ensures the safety of our school community around our site.

It is important however that we maintain this level of safety on site and therefore we ask students to disembark from their bikes and scooters while on school grounds to ensure the safety of staff, students and the wider school community and to avoid any accidents and collisions.

**MYTH BUSTERS**

**Myth: Being fast makes you the best at mathematics**

*'Mathematicians are often very slow thinkers as they think slowly and deeply. They know that it is when you dive deepy into mathematical ideas you experience the beauty of maths.'* – Jo Boaler

French mathematician, Laurent Schwartz, explained that he felt 'stupid' in school because he was a slow thinker.

**What can I do?**

Talk to your child about their thinking. Value deep, slow thinking rather than getting to answers quickly. Ask questions like, 'how do you know that is correct?' and 'are you sure?' to encourage reflection.

## CLEAN UP AUSTRALIA DAY

### Clean Up Australia Day

Clean Up Australia Day occurs annually on the first Sunday in March. March 2nd this year marked 35 years of this national event which is now the nation's largest community-based environmental event. Over 22 million Aussies have stepped up over the years, pulled on their gloves and donated their time to improve the environment.

Over time, Clean Up Australia has evolved to provide practical solutions to help all Australians live more sustainably **every day of the year**. This is because Australia's environmental challenges go far beyond one day. In our current climate, the focus is as much on preventing rubbish entering our environment as it is removing what has already accumulated.

#### Fast facts:

- Australians used **3.5 million tonnes of plastics** in 2018 to 2019, **60% of which was imported plastic**.
- **One million tonnes** of Australia's annual plastic consumption are **single-use plastic**.
- Australia uses approximately **70 billion pieces** of soft 'scrunchable' plastics each year.
- **130,000 tonnes** of plastic leaks into the marine environment in Australia each year.
- By 2025 it is predicted that **99% of seabirds worldwide will have ingested plastic**.
- By 2050, it is estimated that the **plastic in the oceans will outweigh fish**.
- **Our use of plastic is increasing** and across the world it **will double by 2040**.

#### What can YOU do?

*Refuse. Reduce. Reuse. Recycle. Compost.*

We make very little use of the resources we already extract when we could be feeding them back into the resource loop, preventing rubbish entering the environment and waste going to landfill.

As Australia's waste challenges continue to grow, we all need to step up and support solutions which move us towards a circular economy – where everything is a resource, and there is no such thing as waste.

Let's make every day Clean Up Australia Day!

*Leah Kovacic*

*On behalf of the Diversity and Culture Working Group*

### Clean Up Australia Day - Student Article

#### What is Clean Up Australia Day?

Clean up Australia Day is the nation's largest community-based environmental event, held annually on the first Sunday in March. It was started 35 years ago by Ian Kiernan AO, with the goal of improving and conserving the environment by cleaning up litter. It's important because it encourages individuals and communities to take action in protecting the environment. Over the years, more than 22 million Australians have participated, helping to reduce pollution and preserve natural spaces. The event promotes environmental awareness and responsibility, making a positive impact on local communities.

#### How can you get involved?

The Clean Up Australia website has a variety of resources for individuals who want to get involved, including the option to register a clean-up in your community. The organisation sends free starter kits containing everything an individual, family, or group of ten would need to conduct a clean-up. For those that don't want to register, the website also has a map to view and join a registered clean up near you at any point in the year.

Leading a cleaner and more sustainable lifestyle doesn't require joining a clean-up. Instead, it can be achieved in day-to-day life by making simple choices such as using a reusable drink bottle or thrifting clothing instead of buying fast fashion. Other examples include; composting food, disposing of recyclables and ten cent refundable cans or bottles properly and even using paper straws instead of plastic can make a difference. As said by Anne Marie Bonneau, "We don't need a handful of people doing zero waste perfectly. We need millions of people doing it imperfectly."

*Naunidh Kukreja (Year 12) and Kira Maher (Year 10)*

*Student Leadership Team*

## EDUCATION LEADERS' DAY

February 27th was the Department for Education's annual Leaders' Day. At this event, Principals and their Executive Leadership teams are invited to work together on their site learning goals and learn from experts within education.

This year, students who participated in the DfE Student Forums were invited to attend as either MCs or as leader support. Chandulee Jayawardena and Zoe Hatchard were involved in hosting, whilst Aleks Rebrun and Bianca Lemmo supported leaders throughout the day. Our students worked with other student leaders from Klemzig Primary School and Roma Mitchell Secondary College.

Zoe and Chandulee spoke with poise and confidence in front of a crowd of over a thousand school leaders. Bianca and Aleks spoke passionately about student agency and voice with School and System Leaders. All students attended in a student workshop with keynote speakers Gwyn ap Hari and Ron Berger, where they learnt more about learner agency and the power of student voice in improving learning outcomes.

As a school community we are incredibly proud of their contributions to this event and school leadership at The Heights School.

*Kelly Spalding*

*Assistant Principal Secondary Years*

## LEADERSHIP IN LANGUAGES AND CULTURE

The Heights School would like to congratulate one of our Spanish teacher's Leah Kovacic on her Commendation for the 2025 Award for Leadership in Languages and Culture. Leah was recognised for her outstanding commitment to advocacy for a multilingual and culturally diverse Australia and strong community leadership.

Congratulations Leah.

## RECEPTION WELCOME

The "Reception Welcome" Assembly marked the exciting start of R01, R02 and R03 students' formal education at The Heights School. It was a heartwarming and celebratory event where we proudly welcomed the new Reception students and their families into our school community. The assembly featured an altered version of the book *Our Class is a Family*, re-inforcing our school values and emphasising the importance of belonging and togetherness. Year 12 students shared inspiring reflections about their journey at The Heights, recounting their experiences from Reception to now. The Reception students then had the chance to share their aspirations for the future. To conclude the celebration, students performed the "Wombat Wobble", adding an extra layer of excitement and energy to the memorable day. It was a beautiful start to what promises to be an exciting and enriching journey for all of the new students.

*Christina Tziortzis, Reception Teacher (R01)*

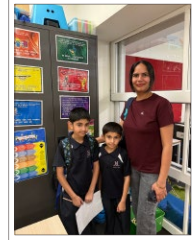

PRIMARY YEARS

# Primary Years

## Acquaintance Event

Thank you for attending the Acquaintance Event. It was great to see the smiles on the children's faces as they showed their family around the classroom and school.

## Learning Strategies

When visiting classes over the last few weeks, I have seen students engaged in their learning. There have been a lot of learning strategies being used within each classroom. Each learning strategy has a different purpose and teachers intentionally choose and use a variety of different learning strategies depending on the learning intention of the lesson.

Goal Setting

Metacognition

Questioning

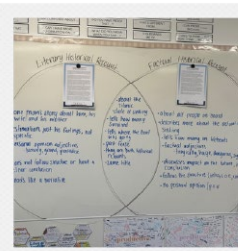

Reflection

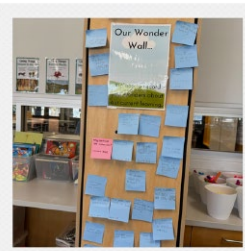

Collaborative Learning

Feedback

Summarising

Self Questioning

## Reminders

### No dogs on school grounds

Just a friendly reminder that dogs are not permitted on school grounds during school drop off and pick up times.

### Parent/Teacher Interviews

Week 10, Monday and Thursday. More information will be sent via Edsmart.

### NAPLAN

NAPLAN for Years 3, 5, 7 and 9 will commence in Week 7 on the 12th March.

We are having an assembly and parade on the 21st of March at 11.15am. Students are encouraged to dress in their cultural dress or wear orange.

## PREMIER'S READING CHALLENGE 2025

The annual Challenge has begun!

All of our students are invited to complete the Challenge which involves reading and recording 12 books prior to September 5.

Reception-Year 2 teachers enter one form per class, recording books they have read together while students in Years 3-12 make their own entries.

Once the class have completed the task, all forms are given to Library staff ready for entry on the PRC site. Medals and certificates are presented to students later in Term 4.

This is a great opportunity to encourage a love of reading and improve Literacy levels. Please encourage your children to share their stories with you.

The PRC website has a lot of useful information:

<https://premiersreadingchallenge.sa.edu.au/>

Please contact me or any of the Library staff if you have any questions.

Ms Simpson

PRC Co-ordinator

## YEAR 9 HISTORY: THE GREAT EXHIBITION!

During Week 5, Mr Gray's Year 9 History class travelled back in time to host 'The Great Exhibition,' bringing the ground-breaking inventions of the Industrial Revolution to life. Students competed to capture the attention of eager investors, creating detailed pamphlets and models to promote their innovations. Among the impressive displays were a functioning washing machine (with a dryer!), the North River Steamboat, locomotives, a working telegraph, the iconic lightbulb, and Singer sewing machines. When faced with challenging questions from visiting guest Ms Burgess about the inventions' history and mechanics, the young inventors confidently rose to the occasion! Well done to all involved!

## STAGE 2 SURFING

On Thursday 20 February, the Stage 2 Integrated Learning (Physical Education focus) class attended a Surfing Excursion at Port Noarlunga as part of their Practical Inquiry 1 Task. Qualified instructors from Surf Culture Australia were on hand to guide the class through the basics of surfing, with students being required to complete a personal self-analysis regarding skill acquisition concepts covered in class. We had a fun day linking our theory and practical components together. All students had a great time with their learning!

*Andrew Costello, Stage 2 Integrated Learning Teacher*

2025 SPORTS DAY PROGRAM

The Heights School  
Preschool- Year 12  
**SPORTS DAY**

**FRIDAY  
7 MARCH  
2025**

**8:45am - 3:05pm  
The Heights School**

Welcome to our  
**2025  
Preschool - Year 12  
Sports Day**

We are delighted to welcome parents, caregivers and families to our Sports Day and trust you will cheer hard and loud and enjoy the spectacle.

Thank you for attending and supporting sportsmanship and team spirit.

8:45am	home group attendance
8:55am	opening address
9:30am	events commence
3:05pm	dismissal

**IMPORTANT INFORMATION**

- No families to be in school buildings
- Spectators are to use portable toilets only. These are located in the vicinity of the Year 3-6 ovals and Year 7-12 ovals. Refer to the program map.

**Serving during lunch break only**

- \$3.00 sausage on bread, optional onion and sauce
- \$4.00 vegetarian burger on bread, optional onion and sauce
- \$2.50 soft drink can (secondary\_years only)

A **Coffee Van** for parent / caregivers and families only will be located in the vicinity of the Primary asphalt area throughout the morning supplying Coffee, Hot Chocolate and limited bakery items.

**Students will not be served**

# 2025 SPORTS DAY PROGRAM

## HOUSE CHANTS

### CORVUS REDBACKS

Redbacks, Redbacks we will fight  
Watch us run and watch us bite  
See our red stripes on the track  
Beware of the red and black!

Everywhere we go...(echo back)  
People want to know...  
Who we are...  
And where we come from...  
So we tell them...  
We are the Redbacks!  
Mighty mighty Redbacks!!

Give me an R! Give me an E! Give me a D!  
Give me a B! Give me an A! Give me a C!  
Give me a K! Give me an S!

GO REDBACKS!

### DRACO CROCODILES

Crocs, Crocs scream and shout  
Chew you up and spit you out  
We're the fastest and the best  
Watch us as we beat the rest!

Everywhere we go...(echo back)  
People want to know...  
Who we are...  
And where we come from...  
So we tell them...  
We are the Crocs!  
Mighty mighty Crocs!!

Give me a C! Give me an R!  
Give me an O!  
Give me a C! Give me an S!

GO CROCS!

### HYDRA SHARKS

Sharks, Sharks watch us win  
Look out for the circling fin  
We're the best and we can state  
We'll make the others look like bait!

Everywhere we go...(echo back)  
People want to know...  
Who we are...  
And where we come from...  
So we tell them...  
We are the Sharks!  
Mighty mighty Sharks!!

Give me an S! Give me a H!  
Give me an A! Give me an R!  
Give me a K! Give me an S!

GO SHARKS!

### AQUILA DINGOES

Dingoes, Dingoes watch us growl  
Look out cause we're on the prowl  
We're not out here just for fun  
We are here to be number one!

Everywhere we go...(echo back)  
People want to know...  
Who we are...  
And where we come from...  
So we tell them...  
We are the Dingoes!  
Mighty mighty Dingoes!

Give me a D! Give me an I! Give me an N!  
Give me a G! Give me an O!  
Give me an E! Give me an S!

GO DINGOES!

## HOUSE LEADERS

### CORVUS REDBACKS

Senior Secondary House Captains (Year 10-12)  
Sana M  
Manuth C  
Secondary House Captains (Year 7-9)  
Lily W  
Darcie R  
Primary House Captains (Year R-6)  
Belinda D  
Jayden C

### DRACO CROCODILES

Senior Secondary House Captains (Year 10-12)  
Tanishka B  
Kacia S  
Secondary House Captains (Year 7-9)  
Tahlia O  
Brianna H  
Primary House Captains (Year R-6)  
Chloe N  
Noah P

### HYDRA SHARKS

Senior Secondary House Captains (Year 10-12)  
Madison W  
Bethushan J  
Secondary House Captains (Year 7-9)  
Khushi D  
Stella S  
Primary House Captains (Year R-6)  
Annika L-B  
Reyansh S
